PALACE MARAMATH DEPARTMENT, MYSORE.

Notification dated 17th November 1930.

Notice is hereby given that sealed tenders will be received at the Office of the Palace Engineer, Palace Maramath Division, up to 10th December 1930, for constructing Jackey's Quarters at Race Camp, Mysore. An approximate estimate of quantities and cost is given below. These quantities are not guaranteed. The work should be completed by the end of 15th March 1931.

2. The plans, detailed estimate and conditions may be seen at the Palace Engineer's Office at New Palace Offices between the hours of 11 A.M. to 5 P.M.

3. Tenders should be submitted on printed forms, which may be obtained from the Palace Engineer.

(*a*) The tenderer need only mention the percentage either higher or lower at which he is willing to undertake the work.

(*b*) He must be prepared to make use of materials available in the Maramath stores and Timber Yard, the cost thereof being recovered from his bills.

4. Each tender must be accompanied by a deposit of Rupees 500 in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for constructing two Cottages for Jackey's in Race Camp, Mysore" in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Huzur Secretary who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Palace Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Items not provided for in the estimate will be calculated as per schedule rates or as per data worked out during the execution of the work, subject to the same deduction of percentage as is agreed to by the contractor in his tender.

10. In matters of all disputes about rates, measurements, quantity and quality of works, etc., and in all other disputes of any kind, the decision of the Palace Engineer will be final and legally binding. Those who do not wish to abide by this condition need not tender.
